

Summer 2025 Work & Travel USA!

Kami Ramen

Spenard Road, Anchorage, Alaska

Kami Ramen is a ramen joint inspired by visiting ramen restaurants in Japan. Kami Ramen was founded by three local Alaskan foodies with a passion for delivering quality food. The owners want to become the busiest ramen joint in Alaska. We serve mainly ramen, rice dishes, and special side orders inspired by Japanese food. The ramen broth will be made from scratch daily, topped with fresh noodles and various toppings.

Kami Ramen is located on the west side of Anchorage town, serving the Spenard community. The restaurant is a standalone restaurant with about 30 to 40 seats, targeting 60% of its business with sitting customers and 40% with go-go customers.
